

	Learning objective	Main teaching	Activity	Resources
Monday	To read and write tricky words	Today, we're focussing on tricky words – these are words we can't use our phonics to help us decode, so we just have to learn to read and write them off by heart.	https://www.phonicsplay.co.uk/resources/phase/5/tricky-word-trucks . Try the phase 5A tricky words first, then either go up or down to find suitable words. Can you read them all correctly? Next, try writing each one – can you spell them correctly? Which are the 'tricky' bits in each word? e.g. in the word 'people', it's the 'oe' spelling of the /ee/ phoneme.	phonics play login <i>Username swaffpri,</i> <i>Password phonics</i>
Tuesday	To apply phonics knowledge to read words	(Miss Foster's day)	If you have time today, revise the different ways of spelling the /ee/ phoneme, also known as the /ee/ family. Watch and join in with 'Mr Thorne does phonics': https://www.youtube.com/watch?v=WO1ylMaWf0w . Watch the video again, pausing it to read each of the /ee/ words.	
Wednesday	To learn common ways to spell the /igh/ phoneme	Zoom lesson at 10 am – see class Dojo for the link. We have already learnt some of the most common ways to spell the /igh/ phoneme: igh, ie, i_e. Sound out and blend to read my words: bike, white, high, bright, tie, lie	Look at my screen – for each picture, write the word using the correct igh, ie or i_e spelling of /igh/. Follow-up activity: In your reading book, can you find any words with the /igh/ phoneme? Write a list of them in your book.	-writing equipment and book
Thursday	To learn alternative spellings for the /igh/ phoneme	Zoom lesson at 10 am – see class Dojo for the link. Today we will learn some less common ways to spell the /igh/ phoneme: y as in fly and i as in kind. Can you think of any other words that use the y or i spelling for the /igh/ phoneme?	Listen as I read the Billy goats gruff story. Put your hands on your head when you hear the /igh/ phoneme. If you know the spelling, write it on your whiteboard. Follow-up activity: read the Billy goats gruff phoneme spotter and have a go at sorting the words into the table (draw it in your book).	-Whiteboard and pen -Billy goats gruff phoneme spotter and word sort sheet (no need to print) -writing equipment and book
Friday	To learn alternative spellings for the /igh/ phoneme	Look at my 'best bet' poster for /igh/. This can guide us in choosing the right spelling. When working out how to spell a word, we might have to try a few different spellings to see which one looks right.	Write sentences, each containing one of the alternative ways to spell the /igh/ phoneme that you have learnt: igh, ie, i_e, i and y. Make sure your words have the /igh/ sound in them – e.g. 'silly' has the y on its own but it makes the /ee/ sound, not /igh/, whereas 'my' says the /igh/ sound.	-best bet poster for /igh/ -writing equipment and book
